Debate Tournament Starts at Lincoln-Way Tomorrow

The first annual Lincoln-Douglas debate tournament will be held at Lincoln-Way Community high school on Friday and Saturday, Jan. 29-30.

The tournament will feature five rounds of debate for each school on the national high school topic, "Resolved, The Federal Government should substantially increase its regulation of labor unions."

At the banquet on Saturday evening at 5:00 pm. the two teams with the best regular tournament record will debate for the beautiful Lincoln-Douglas traveling trophy.

Many former state champs and perennial state finalists are sending teams to the tourney. Eighteen schools will be debating. From the SW Suburban Conference, of which Lincoln-Way High School is a member; Bremen, Carl Sandburg, Evergreen, Rich, and Homewood-Flossmoor.

The other schools are: Lemont, New Trier, Arlington Heights, Proviso East, Proviso West, Joliet Township, Thornton Township, Thornton Fractional North, Elgin Lyons Township, Willow Springs, and West Aurora.

Each team will send a negative and an affirmative team to compete. Thus eighteen teams will be debating at one given time. Trophies will be given to the

team with the best regular tournament record and the second place team. Individual awards will be given to the first and second rated debaters on the negative and affirmative sides of the question. A special certificate of outstanding debating will be given to every debater who scores more than 100 points.

Judging in the final round for the traveling trophy will be the managing editor of the Joliet Herald, Mr. Albrecht; Debate Coach from Olivet Nazarene college, and Mr. McCombs.

The topic is timely and has become an excellent debate question with the passage of the compromise Landrum-Griffin Bill by the Congress a few months ago.

Lincoln-Way's debate team of Kay Van Rheeden, Betty Lehman, James Lakin, Dennis Porich, and Mike Tate will be debating at the Lincoln-Way PTG meeting Feb. 3. On Feb. 6 the debaters from Lincoln-Way will go to Oak Lawn for the SWS Conference tourney and then will travel to Blue Island for the Lincoln Day debates there on February 12.

All sophomores, the Lincoln-Way team has thus far won a few more rounds than they have lost.

The debates are open to the public. However, the banquet is a private affair.

U.S. Lets Contract For New Mokena Postoffice

Congressman Noah Mason has been advised by Postmaster General Arthur E. Summerfield that a contract has been signed for the construction and lease to the post office department of a new post office building in Mokena.

The successful bidder is Mr. and Mrs. Louis S. Sliwa, 9 West Hiawatha street, Mt. Prospect, Ill. Groundbreaking and construction of the new post office is expected to begin soon, with completion due approximately June 30, 1960. The lease will run for 10

years with two five year renewal options.

This modern post office will be located directly west of the public alley on the north side of Front st., between Wolf road and Mokena streets. It will provide 2,400 square feet of interior space, an outside loading platform of 150 square feet and 6,500 square feet of hard surfaced driveway, parking and maneuvering area.

Specifications call for new modern lighting and equipment, including a low, open patron service counter.

The front of the building will be of lannon stone, glass and aluminum window and door frames. The side and back walls will be a combination of face and common brick.

The building will be air conditioned.

Postmaster General Summerfield stated, "this is another important step in the Post Office department's modernization program authorized in the last session of the Congress (with the valued assistance of your Congressman Ma-

son) to improve postal services for the public by providing new buildings and equipment, designed for efficient and economical mail handling."

He pointed out that the postal facility to be built in Mokena is typical of the 1400 new post offices to be built thru out the country in fiscal 1960. "These new post offices," Summerfield said, "contain not only the modern patron-service counters and eye saving fluorescent lighting, but provision is made for patron service after

regular business hours.

The post office building will remain under private ownership while leased to the federal government, and hence will pay local real estate taxes to bear its share of the cost of local government.

The local postmaster, Mrs. Margaret O'Brien, and clerks and mail carriers as well as the local patrons will be most happy to have a new postoffice, away from the crowded street situation which now exists, with only a few feet of parking at the front of the building.

BOND ELECTION PASSES

Death Claims Georgia Logan Rites Today

Georgia A. Logan, 62, wife of Glenn F. Logan, managing editor of the Semmler Press, died Monday night at their home, 813 Clement street, Joliet. She had been in ill health for the past five years but her condition became acute last June and she had been confined to bed since.

Born at Eaton, Ind., June 10, 1897, she lived most of her life in Illinois. Before her family moved to Joliet they resided at Lockport for many years where she was graduated from the grade and high school.

Mrs. Logan was a member of the Sanservice board and while her health did not permit her to take a physical part in the duties of the organization, that works for the welfare of the patients at the Sunny Hill sanatorium in the past several years, she managed to take over the telephone chores from her bed until the week before her removal to the hospital last June.

She was a member of the Woman's club of Joliet for more than 30 years, resigning last year because of her health. Mrs. Logan was also a member of Marguerite chapter, Order of the Eastern Star and St. Martha's circle of Christ Episcopal church, Joliet. She also was a former member of the board of the Republican Women's club of Will county.

Besides her husband she is survived by her mother, Mrs. Barbara Hartman, of Joliet, three sisters, Mrs. George (Odette) Drury, Lockport township, and Margaret and Virginia Hartman, of Joliet, and one brother, William Hartman of Chicago. Her father, George Hartman and a brother and sister preceded her in death.

Removal was to the Sonntag funeral home, Joliet. Services will be held at Christ Episcopal church at 11 o'clock this morning, with interment in Elmhurst cemetery, Joliet.

Voters O.K. Both Issues By Big Majority In Orland Park

At the board meeting of Orland Park held Monday night, the votes of the election for water and sewer in the village, were canvassed and it was found that the propositions both carried well.

There were 670 votes cast, six of which were spoiled. It was estimated the cost for a new well and sewer installation would be \$555,000. To be covered by general obligation bonds would be \$100,000

and \$455,000 in revenue bonds for the water and sewer.

Voting yes on the general obligation bonds, 502 votes were cast in favor with 161 against. On the revenue bond proposition, 504 votes were cast in favor, with 160 against.

Mayor W. R. Schussler Jr., speaking on behalf of the village board, said they were deeply gratified by the support given the issues

by the local citizens. The returns of the bond election were considered a vote of confidence in the work of the board in the interests of the residents of the community.

The board instructed their engineer to start at once to list the specifications for the sewer and well so that the board could start advertising for bids and get the work started as soon as possible.

D.L. Kurber Bays Mokena Drug Store

Daniel L. Kurber, of Lockport, has purchased the Geisler Pharmacy at Mokena and Front streets, Mokena, it was announced this week. He will take possession Feb. 1.

Mr. Kurber is a registered pharmacist, and is employed by the J.D. Brown drug store at Joliet. He will remain there until next Monday when he will begin the operation of his store in Mokena. Previous to his employment at the Brown store Kurber was employed at the Plainfield Ave. Pharmacy in Joliet. He also had experience in Chicago.

Mr. Kurber is 27 years old and was graduated from the University of Illinois college of pharmacy on the Chicago campus. In the Korean War he served in the army medical corps overseas. Ice Races at New Lenox Set Sunday

A drop in temperature to near zero last week covered Hickory creek with an inch and a half of ice at New Lenox. While that was sufficient to accommodate skaters those in charge of the annual ice skating meet there, sponsored by the Lions club, did not believe it was thick enough to take care of the crowd that attends the event and the affair, postponed once, was postponed again.

John Hauck, chairman of the committee in charge, said that if the weatherman continued to cooperate this week it is expected that the races will be held this coming Sunday, Jan. 31.

The course for the races is marked off on the ice at the foot of Elm street.

The program is scheduled to begin at 2 o'clock. There will be five classes, starting with Class E for small fry of six years of age and under and ending with Class A for boys and girls 19 years and older. Trophies will be awarded winners in the different divisions.

The meet is open to all residents of New Lenox township who fit into the various age classifications.

Approve New Subdivision in Orland

The population of the Orland Park area is gradually being enlarged by the addition of new subdivisions. At the Orland Park village board meeting Monday night approval was given to the Mehling subdivision. It will be an addition to the Silver Lake project and it is estimated that about 200 houses will be built.

The board also had a request to approve another subdivision east on 94th ave., which will contain about 300 houses. This request was referred to the Planning commission.

Permits were also issued for seven new houses to be built in the Orland Park Hills subdivision, a Braun and Aldridge project.

The board adjourned as soon as possible so that the members could attend the district meeting of the Firemen's association

Father Complain Stray Dogs Frighten Children

By MARGARET SEMMLER
Charles Nuels, Bryant st., complained to the Mokena village board at its meeting Jan. 19, that there are so many stray dogs in his neighborhood and around his house that his children are afraid to go to school. He stated when his son leaves home to go to school, the dogs flock around him snarling and barking and frightens the young man, and he hesitates continuing to school. One dog did bite him.

Nuels asked the board how to correct this dangerous situation. Henry Shevlin, chairman of that committee, stated he will investigate and together with the board will work out some solution to the problem. Mayor Marti said some thing should be done about this situation before some one is seriously injured.

David McMillan, who was appointed to fill out the unexpired term made vacant by the resignation of Raymond Westlund, was sworn in by the clerk, Alvin Sorenson, in his office Jan. 9.

The board discussed the annexing of Jerry's Standard Service

station on Wolf road. Jerry Nelson, operator of the station, has requested to be annexed to the village.

Mrs. Joseph Doyle, First st., who was asked to attend the meeting following her complaint at the previous board meeting, about her drainage problem of water in her home, was present.

Mayor Marti explained to her that the contractor Blaine Saxton, and later the engineer, Robert E. Hamilton, Joliet, investigated her situation along with Mr. Marti and they found she had a 12 1/2 inch fall from her house to the sewer tile. Mrs. Doyle had her connection made to the sewer, and then she thought it was not correct and had another party redo the job. She claims she does not have the proper hook up to the sewer.

When asked if she had water in the basement of her home during the heavy rain in this section about three weeks ago, she said her basement was dry. Therefore the board believed her hookup was correct. There was no clogging of the sewer.

ORLAND PARK-residents voted on a sanitary sewer bond issue last Saturday which met with the approval of the great majority of voters. Mrs. Lillian Knox, one of the judges is shown checking the name of a voter and issuing a ballot. (Marvin Smith Photo)

Telephone Co. Unaware of Water Meter

R.A. Johnson, building service foreman of the Illinois Bell Telephone company, attended the village board meeting at Mokena, Jan. 19. He had been invited by the board, to explain about the existing of village water and water meter being in the building without the village knowledge of same.

Johnson, who has been with the company for the past 11 years, stated the company was not aware there was no permit for either the water or meter. Inasmuch as no permit was sought from the village, as is usual when this service is carried into a building, the village never billed anyone, either the owner of the building or the Telephone company, for without a permit the village has no knowledge

of giving such service.

Johnson stated that Everett Cooper is the owner of the building and that the Telephone company and Cooper will make arrangements now to connect with the village sewer. The Telephone company leases the building from the owner.

When the addition to the building, which is located on First st., and an alley which enters Front st., along side of the of Wannemacher store, was added in 1953, toilet and wash bowl was installed, and Johnson said that Cooper thought at that time the contractor had taken care of permits. A septic tank is located between the building and the alley on the east side.

The water and meter was discovered when water was leaking from somewhere onto the floor of the building and Fred Steinhagen, village maintenance man, was called by the Telephone company to correct the leak. Then it was that the water and meter discovery was made.

The Telephone company asked the village to send them a statement of what they owe the village for using their water since 1953 to the present time, that they wish to pay for the service. It is thought that the total will amount to \$130.

Mother March Chairman Urge All to Contribute

By MARGOT BARTNIK
Sycamore 8-7742

Residents are reminded that tonight (Jan. 28), the annual Mother March. Local volunteer mothers will be knocking on doors throughout the nation in their effort to assist the many thousands who were afflicted with dreaded polio disease before the Salk vaccine was put to use. Now, not only polio victims are benefited by this annual drive, but also those afflicted with virus diseases, arthritis and birth defects. "Any of these diseases may afflict any of us at any time," drive chairmen say, so it is the responsibility of everyone to contribute what they are able in order to someday conquer all these threats. Remember, no matter how much or how little you feel you can contribute, do put your porch light on between 7 p.m. and 8 p.m., and let your local volunteer know that she is welcome."

SLOGAN CONTEST

The city council is sponsoring a slogan contest for residents of Country Club Hills. The slogan should consist of five or six words that characterize or typify our community. The person submitting the best slogan will receive a television set, donated by J. E. Merriam. Slogans may be mailed to the City Hall, before Feb. 15, to the attention of Alderman Clint Nelson, or they may be dropped into a box just inside the door at the city hall. Announcement of the winning slogan will be made at the Women's Club dance at Sanger hall, Tinley Park Feb. 20. The procedure to be followed in the contest is as follows: Slogans will be sorted, numbered, and typed up by Alderman Nelson and Virginia Bennett, city clerk. Names of contestants will be eliminated from the typed entry and a number substituted, so that judging shall be on merit alone. Then the members of the playground and recreation board committee will do the initial judging. From those submitted, six will be turned over to the city council members who will make the final choice. At no time will the names of the persons submitting the slogans be on the entries after the initial sorting and trying. The winning slogan will be identified by number. The contest is not open to members of the city council or their families.

"The recent announcement by the J. E. Merriam Company of plans to construct a Shopping Center at 183rd and Crawford is very good news for all residents of Country Club Hills," Mayor James Nally stated. At a recent luncheon, Mr. Merriam outlined his plans for the first phase of construction of this Shopping Center, to begin in the spring of 1960. "The first phase will develop about ten acres of the forty acre site, and Mr. Merriam indicated that perhaps as many as ten stores would be included in the initial development. I am pleased that the shopping center is under way. This important source of tax revenue will enable our city government to enlarge on the services returned to the individual taxpayer."

"In addition the convenience of good shopping with adequate parking facilities will attract more residents to our city. This will also aid in maintaining property values. I wish the Merriam Company success in this venture!"

SCHOOL NEWS

Basketball back stops have been ordered for Willowview school, and should be installed in approximately one week.

The school district is considering the feasibility of splitting the second, third and sixth grades, if there is any additional increase in enrollment. At any rate, it is expected that second and third grade classrooms will be established at the South school at 189th, according to Zenon Sykuta, superintendent. The first load of equipment purchased under the state building commission program, has been received. Included in this first purchase, were student desks, teachers' desks, office furniture and classroom reading tables. Chalk boards and classroom storage facilities did not arrive with the initial shipment, but are expected in the next few weeks.

The school district has been meeting with architects McPherson, Swing & Associates in completing plans for the second school. Plans are in the final stages and it is anticipated that they will be sent to the State Building Commission by the end of the month. Hopes

are high that the actual ground breaking and building will begin by the first of April. Another achievement for Country Club Hills!

PTA HOLDS MEETING

On the basis of attendance at the meeting last Thursday night, only 46 parents felt they do not completely understand their children. This certainly bodes well for our community, and should place us tops in the state, if not in the country, among towns having the least potential for juvenile problems.

This attendance figure did not include the five panel members from our school staff, who carried on the discussion, "Understanding Your Child." Zenon Sykuta moderated the panel. Mrs. Marilyn Evans described many of the personality traits and accomplishments of the primary grade pupils, Harold Jones and Mrs. Donna Jean Nelson dealt with problems and pressures faced by children in the fifth through eighth grade level. Mrs. Edith Huckins talked generally about what children and parents expect from the school and vice versa; also explaining some of the problems faced by teachers and pupils in attempting to integrate new subjects and programs with an already crowded curricula. Mr. Sykuta and the panel then participated, with PTA members, in a short question and answer period.

Prior to the panel discussion there was a short business meeting. Committee reports were heard, and a nominating committee was elected. The two elected from the floor were Ed Noyes and Mrs. Pearl Shaffer. Mrs. Marge Boyer, PTA Safety committee chairman, was selected from the pta executive board as the third member of the nominating committee. Bob Landeen, program chairman, reminded the members of the Feb. 18 meeting which will feature Dr. Harry Boyd discussing medical hypnosis and demonstrating interesting experiments in this newly accepted form of therapy.

POLICE DEPARTMENT

Several juveniles have been apprehended in the recent crack down on local vandalism. Windows had been broken in the Willowview and Baker schools, and in many homes. Chief Marks wishes to remind all residents that air rifles (BB guns) and guns of all sorts are against the law. Anyone found shooting within the incorporated area will be stopped and his gun confiscated. This is to protect residents.

FIRE DEPARTMENT

Seven new members have applied and been accepted into the volunteer fire dept. They are: Gordon Bloom, 19041 Baker; Jack Scanlon, 18750 Loretto; James LaVine, 19051 Anthony; George David, 18721 Lee; Bob Cummings, 4446 W. 189th St.; Marilyn Douglas, 4430 W. 185th Place; and Vincent Losole, 4611 W. 188th St. Friday, Jan. 15, an educational film on fire safety and prevention was shown at the firehouse. A film on the "Our Lady of the Angels" fire was also shown. The fire department was host at this showing to Mayor James Nally, school Superintendent Zenon Sykuta, and representatives of the City Council and the Homeowners Association. Refreshments were provided by the Women's Auxiliary.

WOMEN'S CLUB

The Woman's Club will hold its regular monthly meeting Wednesday, Feb. 3, at Willowview school. All members are asked to be on time as the Telephone Co. will present a movie, "Communication for Civil Defense" promptly at 8 p.m. At 8:30 p.m., Girl Scout Troop 268, with its leader, Mrs. Frank Mills, will present a simulated troop meeting.

Plans will be completed for the Cupid's Ball which will be held at Sanger Hall on Feb. 20. All members who have not turned in stamps for the door prize may do so at this meeting. Dance tickets will be distributed.

FIRE DEPT. AUXILIARY

The Auxiliary of the fire department met at the home of Mrs. George Bartnik on Wednesday, Jan. 20. Mrs. Edwin Raddatz was elected treasurer to replace Mrs. Stanley Sobczak, whose husband resigned from the fire department. It was unanimously decided that from now on, two members of the Auxiliary will make a personal phone call or visit to all wives of new members of the Fire Department to familiarize them with the Auxiliary and to welcome them into the women's group. Also,

they will be happy to provide transportation to the newcomers for their first meeting.

A bake sale is being planned for March 12. Members of the Auxiliary will approach residents south of 183rd street in units three and four, either by telephone or mail to request them to bake for this sale. Cakes will then be sold in Units one, two, and seven. Next time, these three units will be asked to bake and the cakes, etc. will be sold in Units three and four. All women are asked to cooperate with the Fire Dept. Auxiliary in this venture since proceeds will be used as they have been in the past to purchase protective clothing for the volunteer firemen in the form of bunks, boots, helmets, etc. The fire department is the responsibility of each and every resident of Country Club Hills and everyone is asked to support the Department in any way possible.

CENSUS RETURNS

Final census figures were sent in as 3,123 as of the official date, Jan. 11. However, since then, six more persons who had been missed were tabulated and reported to the census bureau.

KNIGHTS DEAL EAGLES FIRST LOSS

Lincoln-Way Beats Sandburg 56 - 55 In An Overtime Game

DON ARNOLD (45) of Carl Sandburg cups his hand over Duane Warning's (32); Lincoln-Way center, shot attempt. Did Arnold hit Warning's hand for a two shot foul for Warning. We don't know. This referee has his eyes following that cupped hand of Arnold. Lincoln-Way won 56-55. (Marvin Smith Photo)

BY BILL SLUIS
Just two weeks ago the Knights missed a grand slam week-end by a one-point loss to Bremen. Joe Kruzich had them high on Friday and Saturday. Carl Sandburg felt the sting of defeat for the first time in the SWS in that encounter with the improving Lincoln-Way team. This was the identical score of the first time they got together, but Sandburg was on the winning end of the score in that one. In a Friday night cage duel, Lincoln-Way's Knights dealt the Carl Sandburg Eagles their first defeat of the SouthWest Suburban campaign, in an overtime thriller 56-55.

Bill Seavertson's 15 foot shot, which split the net with 47 seconds remaining in the crucial overtime gave the Knights their slim lead which they held for the remainder of the time, despite the efforts of the desperate Eagles.

The game was tied at the half, but the Knights fell ten points behind at the three-quarter mark, gaining a 51-51 tie at the end of regulation time. Ron Yunker, Lincoln-Way forward, was high scorer for the evening, getting eight of his seventeen points during the fourth period. Ron Lindgren led the Eagles with 16, and Don Arnold was third with 15, also for the visitors.

The first half was fought to a 26-all deadlock, as Jerry Haehnlein and Ron Yunker led the Knights, with Ron Lindgren and Jerry McBride leading Sandburg. This was a defensive battle loser from the starting jump, as the Knights, rated the game employed a fine man-to-man defense against the Eagles.

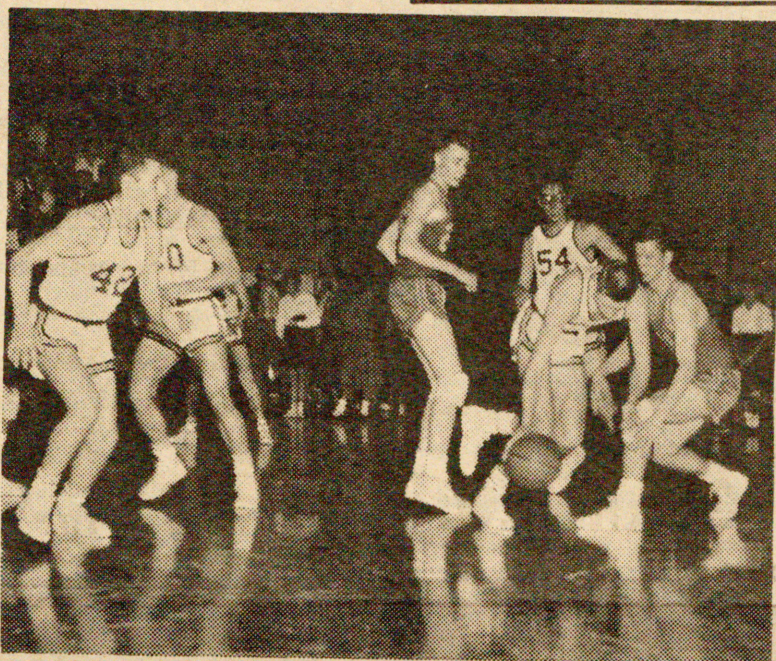

But in the third quarter, the Eagles pulled away from the Knights, scoring 19 points to the Knights' 9, and gaining a ten point lead going into the final stanza. Much of the lead was gained at the free-throw stripe, as Sandburg netted 7 points free to the Knights' one. Lindgren and Arnold led the Eagles.

Going into the fourth quarter, with the Knights down by ten, despair reigned over many of the home-town gathering in the Lincoln-Way gym, while the Eagle supporters gloated. Throwing a press the Knights began to close the gap, pulling within five with 2:27 remaining in proceedings, 49-45. With 1:18 left in the game, Ron Yunker stepped to the line for the Knights, now on the bottom by five, 51-46. He made them both, putting the Knights within three.

Thus it remained until, with 0:52 Yunker netted a jump shot to put the Knights within one. As he was fouled in the act, Ron got a charity effort, also. Tension ruled the entire gathering of over 1,000 in the gym as Ron readied himself for the all-important shot. Up, up, and finally in the roundball went. It brought down the house. The noise was tremendous.

Then the Eagles took out the ball and called time out. Lincoln-Way went into a zone. They stalled away all but the final ten seconds, when Sandburg went into action. With five seconds, the ball was given to Don Arnold. Arnold's thirty-footer sailed toward the goal. But, to the delight of the Lincoln-Way fans, the ball was slightly wide of the mark and the time was all over.

OVERTIME -- The thought of it filled the fans with anticipation. Lindgren opened the scoring with a 20-footer to give the Eagles a two-point advantage. With 1:58, Jerry Haehnlein bucketed a free toss to move the Knights back within one. A few seconds later, Jerry Haehnlein fouled out of the game and Don Arnold stepped to the line. Both were good, and Sandburg

WARNING OF LINCOLN-WAY drives -- Gerry McBride, quarterback of the Carl Sandburg football team, appears to be thwarting that drive by an excellent tackle preparation. Gerry only had to move in and clamp his arms around the churning knees of Warning. He didn't however. Lincoln-Way nipped the Eagles. (Marvin Smith Photo)

owned a 55-52 bulge. But with 1:41 remaining, Bill Seavertson dropped two charities to move the Knights within one once again. It remained thus until, with 0:47, Bill Seavertson hit a fifteen footer and the local rooters began to pour onto the court. But they were halted and proceedings continued once more. Again a zone defense met the visitors.

Again Arnold tried a 25-footer. Again it missed, in exactly the same way. The Knights swarmed upon the rebound. This was the end of the game, and the overjoyed rooters cluttered the court, delighted at this latest set of heroics by their boys.

Undoubtedly their most impressive showing thus far, the Knights got revenge for their defeat at Sandburg, another one-point affair of the identical score.

Many Knights starred in the game, particularly Mike Dina and Bill Seavertson, who came into the proceedings when the top Lincoln-Way aces, Skip Kruzich and Duane Warning fouled out of the game at the most crucial times. Skip left with 0:14 left in the third quarter, and Duane, big 6'5" center departed with 5:03 left in regulation time. Mike took up the slack left by Warning in great style, while Seavertson's heroics in the overtime are history to the L-Way fans.

Sandburg trio of Lindgren, Arnold, and McBride were great in this contest. These three fellows, as they have been doing consistently, keep the Knights back on their heels most of the contest.

BY BRUCE RODGER
The Bremen Braves dropped the first game of the second round on Friday, 79-60 to the Spartans of Oak Lawn in the latter's gymnasium.

This marked the third straight loss for the Braves. But to add more gloom to the Bremen camp, they lost to reportedly weak Thornton Fractional South on Saturday night.

Bremen quickly lost the 10-8 lead in the first quarter of their battle with the Spartans, when Paul McHenry chipped in four baskets and a free toss at the start of the second quarter.

McHenry stole the limelight from Bremen's ace, Jim Mifflin, who counted for 21 points. At the end of the half, the Spartans had a 31-21 lead.

Oak Lawn had complete charge of the boards at the start of the second half, but Mifflin for the Braves who accounted for only four points in the first half, added 17 in the last half.

Another fine performer was Tom DeVries with 18 points.

Bremen warmed up in the last frame by hitting for 24 points, but it was not enough to overcome the Spartan lead.

Phil Tungstall, a junior reserve on the Bremen squad, who has been watching from the sidelines, entered the game in the last quarter, scoring three baskets and a free throw for seven points.

High scorers were Spartan McHenry with 31, Brave Jim Mifflin, 21, and Spartan DeVries, 18.

The loss dropped Bremen into third place in the Conference standings. This is the lowest that the Braves have been since the last year. Bremen opened by winning its first four games.

Oak Lawn, seemingly a weak team, was exceptionally strong on the boards; getting inside of the Bremen defenders.

Browsing Through The Cold Stove League

BY DEAN DALLAS
Sports Editor Semmler Press

The composite of the SWS League has been twisted again. Both Carl Sandburg, for the first time, and Bremen were defeated by teams in the second half of the Conference.

These defeats hurt the Braves the most. Bremen dropped into third place in the league standings -- at the midst of a four game losing streak. Rich, a team that Bremen has badly trounced, moved up into second place with a 6-2 mark for the current season.

The Eagles felt the pangs of defeat for the first time in the SWS and suffered a third defeat of the season. Sandburg now stands with a 7-1 mark for the season.

Lincoln-Way moves up a little with a mark that is .500 -- a Lincoln-Way team has never been in a better position in the SWS at this late date in the season. In fact, with 10 games remaining, the Knights have only to win one game and tie the all time win mark for the school.

So -- it would appear at this point that Carl Sandburg has the inside track for the crown. Rich will certainly lose at least two games the second time through the Conference, but Sandburg may surge with no losses.

The loss to Lincoln-Way and the victory over Lincoln-Way are the two toughest struggles that the Eagles have been in during the season in the SWS. The Eagle should go on in from here.

The Tinley Park Central grade school has come up with the best heavyweight team in some time. They are near the top in the grade school league of which they are a member.

Area teams have been no match for the Tinley Tornados. The key to the success of the team, Coached by Ken Webster, has been their exceptional height and drive.

Some material should be forthcoming from this team in the next couple of years for the new high school to be located in Tinley Park -- new Bremen extension.

Lincoln-Way's tremendous upset victory over Joliet Catholic on Saturday evening again put a big flood light on the place of defense in this modern game of race track basketball.

The Knights caged up a hard driving and jump-shooting gang of cagers and held them to less than 50 points in the game. Fred Dedin excellent jump shooter for the Hilltoppers, was consistently missing his favorite jump shot in the second half of the contest as the defensive-minded Knights caused him to shoot off-balance and thus impair his accuracy.

Joliet Catholic scored a total of 20 points in the second half. The tight man-for-man defense employed by the Lincoln-Way squad, with a varied zone that put the pressure on the good shooters was just too much.

Lincoln-Way pulled the biggest grand-slam of the season when they belted the Hilltoppers for the best and biggest victory that they have been able to muster over this young season, 65-48. It was a 17-point win.

All that coach Joe Kruzich could smile about was, "My defense -- that's all we did. We just defended them."

Kruzich got a great game out of junior center, Duane Warning. Warning's 23 points didn't indicate his value. But again the Knights coach was not content. "That Hilltopper victory was a team win. It was the team that won and you cannot single out one individual for the difference." You know . . . I think that he was right about that.

With this SWS way it is -- I'm glad that his newspaper only sponsors a "peepin pigskin". You predict these basketball games.

Bremen Cagers Stunned By Spartans: Loss Drops Braves To 3rd Place

Quint From Lincoln-Way Hands 65 - 48 Drubbing To Joliet Catholic High

by BILL SLUIS
In a Saturday night exhibition game in the Hilltoppers' Westside gym, the Lincoln-Way Knights romped to an easy 65-48 victory over Joliet Catholic, top team in the powerful Suburban Catholic league. A flurry of scoring activity by Duane Warning and Skip Kruzich, coupled with the fine defensive work of the visitors, turned the game into a romp after the beginning of the fourth quarter.

Although the Hilltoppers at one time gained a five point lead, the Knights were never challenged during the fourth quarter. Fred Dedin was high scorer for Catholic, whose 4-1 record gave them top spot in their league. Dedin scored 18 points.

The first half was more exciting than the second, as the Knights gained an 18-14 lead at the first lap. But the Hillmen fought back to a tie and finally took the lead at the half on two Dedin free tosses 31-29.

Gaining a short lead early in the

third quarter, the Hilltoppers felt optimistic when the roof fell in on their cause. The Knights, behind Duane Warning's great shooting, rallied to take the lead with 4:18 remaining in that period, 38-36. Continuing in their net burning tricks, the Knights built a 48-40 lead at the start of the final battle. From there on the Knights continued to build the lead and romped home with a 17-point lead their greatest margin of the season.

The Knights are now 7-6 for the season, 4-4 in the SWS, and will face Plainfield's powerful Wildcats just before press time on Tuesday.

Friday the Knights journey to Oak Lawn, where they will face the Spartans they beat 59-50 on December 11. This could be a chance for the Knights to move over the .500 mark in the SWS. A good contest, which the Knights should take by about 2.

Homer News

By Elizabeth Anderson

The Wayside Workers' Circle of King's Daughters will meet at Homer Church Thursday afternoon, Feb. 4, at 1 o'clock, weather and roads permitting.
The annual meeting of the Homer Mutual Fire Insurance company was held in the Jerome Pad dock home Tuesday afternoon. Routine business was attended to and officers elected as follows: President, Lawrence Boboski; secretary - treasurer and agent, Jerome Pad dock. Directors re-elected were Peter Konicek, Frank Kolar and Leonard Boyce. Elected to fill the unexpired term of the late Walter Konow was Robert Burch.

The regular monthly meeting of the Homer Fire Dept. Auxiliary will be Feb. 1 at 8 p.m. at Homer school. Each member is asked to bring a gift for the new Fire House kitchen. A committee, headed by Mrs. Frank Townsend, has been named to assist the firemen in planning the arrangement of the kitchen. 1960 dues are now due and may be paid to the membership chairman, Mrs. Richard Wink. Other committee chairmen named at the last meeting were Ways and Means, Mrs. Charles Cook; Hospitality, Mrs. Leon Spangler; Chaplain, Mrs. Vera Waldvogel; Sunshine, Mrs. Frank Townsend, and Publicity, Mrs. Walter Mooney.

The telephone number of the Fire department will be in the new phone books which will be distributed in February. In the near future a department representative will call upon residents of the Fire Protection district with a medallion to attach to the dial of each phone, which will carry the Fire Department number and the home code number which must be given when reporting a fire.

The mailing of Homer Twp. vehicle stickers has been completed. If any one has not received a sticker or desires additional ones, they may be procured at Cook's Lumber Co., Bal-lenger's Tap, Shepherd's Garage or from Ted Grimm.

Fire Chief Cook has announced that Radio receivers have been distributed to 18 active volunteer firemen and will be installed in their homes for extensive testing prior to being placed in service for the fire alerting system. These radios operate on a high frequency of 154.25 megacycles, and will only receive messages from the central transmitter located in the Fire Station. The transmitter will be activated to send notice of a fire call by Chief Cook when an alarm is received.

The Martin Mlynarik of Lockport are the parents of a son born at Silver Cross Hospital. Martin is a former Homer boy and the baby is a grandson of Mr. and Mrs. Joseph Mlynarik of 143rd St.

Mrs. Robert Burch fell on the ice as she was leaving Homer school after the Tuesday night

meeting, and sprained her ankle quite badly.

Homer twp., was well represented at the Soil Conservation meeting at Frankfort Wednesday noon. Following the roast beef dinner served by the Methodist Church women in their new building, the group listened to the Bluettes, women singers from Peotone, and to Miss Mercedes Burst, an able speaker from the International Harvester personnel department.

Loren Sass, county president of the organization, presided and conducted the business meeting. Among the attendants from Homer were Mr. and Mrs. Loren Sass, Mr. and Mrs. Fred Lauffer, Kenneth Lauffer, Mr. and Mrs. Gus Termunde, Louis Sass, Dan Sass, Charles Trantina, Rev. and Mrs. James Elbig, B. D. Brankey, Mr. and Mrs. Bruce Anderson and Robert Burch.

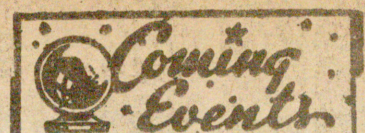

The regular services at Homer Church include Sunday school at 9:30 and worship service at 10:45 each Sunday morning. Adult choir rehearsal is held each Wednesday evening and junior choir each Thursday after school. The junior choir will furnish the special music on Jan. 31 at the worship service. The P. F. young people meet on alternate Sunday evenings at 7 o'clock. The phone number at the church and also at the parsonage will be in the new phone book. The present number for each is 806-M-2.

Word has been received by friends here of the sudden death of Mrs. Fred Dawson of Haywarden, Iowa. She was the former Margaret Storm, oldest daughter of the late William and Edith Rauworth Storm, who lived here many years ago on the farm now owned by Mr. and Mrs. Robert Shepherd Sr. Mrs. Dawson who lived on a farm near Haywarden, was enroute to the town when her car was struck by a train on Monday morning, Jan. 18. She leaves her husband, two daughters who are schoolteachers and a son who farms. Also surviving are a sister and two brothers who may be remembered by some Homer residents as the family moved from here with their parents when they were children and have since lived in Iowa.

Mrs. Edna Munson who resides at the Paul home on Cedar Rd., was recently installed as vice president of the Women's Association of Second Presbyterian Church, Joliet.

At the open meeting of the 33-C school district Tuesday evening, plans were shown of the proposed addition to the school. The people present seemed to be in accord with the plans, and an election will be held later to vote on the building and on the bond issue necessary to finance it. This date has not been set.

Mrs. Willard Rowley Jr., has submitted a landscaping plan for the grounds at the school, which she made with the help of University of Illinois personnel, and which Architect Watson Healy greatly approves.

Sewers—Yes and No!

Citizens and officials of Orland Park are to be congratulated on the outcome of the sewer and water bond elections last Saturday. The issues carried by substantial majorities and indicate excellent cooperation between public and officials.

We regret that sewer bonds were voted down again at Tinley Park.

In this day of rapidly expanding population insuburban areas central sewer systems have become a necessity for the protection of the health and for the convenience of the people.

In this area Mokena has completed installation of a sanitary sewer system; Frankfort is in the process of installing one and now Orland Park is ready to build sewers. New Lenox has taken steps to support such a program.

At Tinley Park the sewer program has bogged down again. The defeat of the proposed \$1,500,000 sewer bond issue last Saturday was the second time it has been turned down within a year.

The sewers were beaten in a referendum in May, 1959 and while the margin of defeat was wider then than it was last week the result is the same — no sewers.

Perhaps there has been too much delay. Bond houses were asked to submit bids on bonds in the event they were approved. That was in 1957. Several firms re-

sponded. In February of 1958 an engineer was hired to draft plans so an estimate could be made of the money needed to carry out the project. The engineers finished their plans by June of that year but a referendum on the question was not held until May, 1959. The revenue bonds failed to gain approval. They failed again last week.

The engineer's estimate of \$1,500,000 was checked by outside engineers and other agencies and found to be reasonable.

In the meantime there was considerable discussion of the sewer project and politics and personalities entered the picture. It would appear that the main issue — that sewers are necessary to safeguard health and to insure the convenience of householders as well as to make it possible for builders to obtain reasonable loans in developing housing projects, to increase property values and the possibility of bringing light industry to the community — have been by-passed.

It looks like the issue has developed into a tug-of-war to see who is strongest Team A or Team B. It seems like the people of Tinley should decide the sewer question on a broad, community basis and not as a popularity contest.

We feel that it should be tried again.

Annual Cook County Home Bureau meeting on Jan. 21, held at the Merchandise Mart.

"Students in grades 3 through 8 at the grade schools were given their annual standardized achievement test at the school."

Supt. Jerling is very proud to report to the parents and community that the results of the testing program indicated that the Orland School ranked in the upper 10% of all the schools tested in the nation.

The close scrutiny given by the radio, TV, and press regarding the schools of the nation, emphasizes the importance of the education. To measure the quality of education, testing devices are used to rate students with those of other schools in the country.

The board of education of School District No. 135, through its Superintendent, is carrying on a program of testing to constantly measure and evaluate the total school program.

Average scores for the school last year ranked the students to the 81st percentile which means that 81% of the pupils score lower than the students at the Orland School and 19% score higher. This year the average scores for the school

Mothers Will Hold March at 7 Tonight

BY DELORES ANDERSON
New Lenox 3651

Mrs. U. L. Madden, W. Circle drive, is chairman of the Mothers March on Polio for Lincolnwood this year. Assisting her will be the Mesdames, Marcel Halik, Kenneth Mills, Edwin Woodcock, and Phillip Heitman. They will cover the Lincolnwood area between 7 and 8 p.m. tonight Jan. 28, and ask that all homes please have their porch lights on, to aid them this worthy cause.

Mr. and Mrs. Raymond Baker and family left Friday for Terre Haute, Ind., where they attended a ceremony on Saturday at the Providence Noviciate, at St. Mary of the Woods, in Terre Haute, at which Mrs. Baker's sister, Sr. David Clare, a teacher with the Sisters of Providence there, took

her final vows of the Convent.

Mr. and Mrs. U. L. Madden and daughter Elizabeth, were very much surprised, but quite happy, when they discovered on Tuesday, that their tom cat who had disappeared two years ago, had suddenly come home again.

Kay Gersich of Lincolnwood, a student at Lincoln Way High school, and a representative for the foreign student program, gave an interesting talk on her trip to Germany, and showed colored slides, at the meeting of the Schuhl Community club, held Friday night Jan. 22 at the school. Hannah Heymann, of Hanover, Germany, exchange foreign student here at Lincoln Way, was also a guest speaker. Third grade mothers were hostesses at the meeting.

One parent we know thinks it only fair to apply a withholding tax to the youngster's allowance just so the younger generation can get gradually accustomed to a procedure to which adults are now hardened.
